

MOTION BY SUPERVISOR YVONNE B. BURKE

MAY 31, 2005

In June 2004, the Board approved the continuation of the existing parking fees charged at County facilities and Courthouses. The construction of a new middle school facility near the Inglewood Courthouse has resulted in additional traffic and a severe shortage of parking spaces in the area for the contractors and inspectors. Due to the urgent need for parking, the City of Inglewood issued permits for contractor vehicles to park on the street near the Courthouse, however, this presents a security concern for the Court as this area has always been a "no parking zone".

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:

Authorize the Director of Internal Services to work with the Inglewood Court and the City of Inglewood to provide the City of Inglewood a maximum of twenty (20) parking spaces in the lower level of the Inglewood Courthouse juror/employee auto park and waive the monthly parking fee for the duration of the construction project that will conclude by December 31, 2005.
